ECONO attests to its qualification for streamlined processing under 63.12 as follows:

- a) ECONO is not a foreign carrier, nor does it control a foreign carrier as defined in Section 63.09(d), in any destination market.
- b) No two or more foreign carriers, or parties that control foreign carriers, own more than 25% of ECONO, or are parties to or beneficiaries of a contractual relation affecting the provision or marketing of international basic telecommunications services in the United States.
- c) No owner of ECONO controls a foreign carrier in any country.
- d) ECONO has no affiliation with a dominant US carrier.
- e) ECONO seeks authority to provide switched basic services over private lines only to countries for which the Commission has previously authorized the provision of switched services over private lines.
- f) The Commission has not informed ECONO that it is not eligible for streamlined processing.

ECONO seeks the authority to provide switched services over private lines pursuant to 63.16 as follows:

ECONO will only provide switched basic services over its authorized private lines if the country at the foreign end appears on the Commission's list of destinations to which the Commission has authorized the provision of switched services over private lines. ECONO does not seek to add a foreign market to the Commission's list at this time.

ECONO responds to 63.18 (d), (e)3 and (g) as follows:

- (d) ECONO has not received previous authority under Section 214.
- (e)3 ECONO requests Section 214 Authority to operate as a facilities-based and resale carrier pursuant to the terms and conditions of Section 63.18(e)(1) and 63.18(e)(2), respectively.
- (g) ECONO does not seek facilities-based authority as defined by Section 1.1306, therefore no environmental assessment as described in Section 1.311 is applicable.
